FIELD AVAILABILITY FORM

****** Return to the Fall League Coordinator by August 1, 2008 ******

Submit only ONE FORM for each field.

Send to: Lynn Baird, TCS-FL Coordinator
651 Ridge Rd, Apt. L2
Lansing, NY 14882

Sorry, form is not accepted via email.

NOTES FROM THE FALL LEAGUE COORDINATOR:

- On Saturdays, I schedule games from 9 AM until just before dark
- On Sundays, I schedule games from noon until just before dark, but also so that teams can arrive home by 8:00 PM.
- Field conflicts not received by the deadline above must be resolved by teams in consultation with the home Field Coordinator.

Field Name: _____

Be sure to differentiate between U10 and U12 fields when they are at the same general location. Unless you indicate that the fields overlap, U10 and U12 games may be scheduled concurrently.

Soccer Club: _____

Field Coordinator: _____ Phone(s): _____

Email: _____

Indicate H=home, W=work, C=cell

List the team(s) using this field as their home field

TEAM NAME	Age/Gender/Div	TEAM NAME	Age/Gender/Div

Fields must conform to these regulations
(check to indicate that the field meets the requirements)

U10: ☐ Yes, length 45-60 yd, width 35-45 yd.
U12: ☐ Yes, length 70-80 yds, width 45-55 yds.

Goal size *(check one)*
☐ 6' x 18' (recommended)
☐ 7' x 21'

Times the field may generally be used:

SATURDAY Opens at _____ Closes at _____
SUNDAY Opens at _____ Closes at _____

Exceptions; i.e., indicate when the field is NOT available.

Map to field (check one)

☐ I have checked the map on the TCS-FL web site, and it is correct.
☐ The map on the TCS-FL site is missing or incorrect (check and supply one of the following):
  ☐ (preferred) URL for the Field location: _____
  ☐ I will send a gif, jpeg, tiff or pict file to the League coordinator by August 15.

As field coordinator, I acknowledge the following responsibilities:

☐ Maintain a listing of all games being played on my club's field(s) and work with coaches to reschedule games so as to avoid field conflicts.
☐ Throughout the season, assure that fields used for Fall League play are safe and well maintained. This includes (but is not limited to) proper lining and regular mowing, securely anchored goals, nets in reasonably good condition and tied to the goal in such a way that balls cannot pass into the goal by any method other than between the side posts and under the cross bar .
☐ If inclement weather may be a factor in determining the playability of the field, I will check the field early in the morning on the game day. Should the field be deemed unplayable, I will contact all home teams who are scheduled to use the field that day, who in turn should contact the opposing coach/manager as well as the League Coordinator (or the Referee Assignor, if the League Coordinator cannot be reached).
